(BY ELECTRONIC FILING) I am familiar with the United States District Court, Northern District of California's practice for collecting and processing electronic filings. Under that practice, documents are electronically filed with the court. The court's CM/ECF system will generate a Notice of Electronic Filing (NEF) to the filing party, the assigned judge, and any registered users in the case. The NEF will constitute service of the document. Registration as a CM/ECF user constitutes consent to electronic service through the court's transmission facilities. Under said practice, the CM/ECF users listed above were served.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on December 29, 2017 at Los Angeles, California.
